

# Make your own post box

You will need:  
paint, paint  
brushes, a  
cardboard box,  
scissors and  
anything else  
you want to  
decorate your  
box with.

Cut a hole in  
the top of your  
box.

Babies love posting items  
into a box and then  
emptying them all. Older  
children really enjoy role  
play with being a post  
officer etc...

Paint your  
box and  
decorate it  
how you
